Dear Phil,

Subject: Whipsiderry Cliffs, Newquay

We write further to this authorities' previous letter, which we understand has been referred to you for consideration.

Following a meeting with a representative from the Environment Agency, we understand there is a need for consent to be given by the Coastal Protection Authority (CPA) for the works in connection with the above. Please can you confirm whether such consent has been provided by Cornwall Council as the CPA?

If consent has not yet been provided, the Town Council's representation is that in light of the recent and growing incidents of cliff falls and instability, this authority firmly believes such consent should not be given.

Thank you in anticipation of a response.

Yours sincerely,

Andrew Curtis BA (Hons) FCMI FSLCC FInstLM FMAAT
Chief Executive and Town Clerk
