1. **Apologies:** none
2. **Minutes of the last meeting:** were agreed as a true record.

 - It was agreed to help Amelia Kitchen from Waterworld redevelop their courtyard garden. Jenny will email.
 - We need a Health and Safety officer and a policy to be adopted at the AGM. Bob will organise.
 - Cornwall Council have released their plan for Newquay station redevelopment.
 - The plug plants from Suttons will arrive in May.
4. **Treasurer's Report:** the balance is £2862.93. The insurance fee of £190 has been paid. Barbara will ask the Town Council to pay for SWIB presentation and seminar tickets. Sharon and Lesley will analyse last year's spending of our TC grant. Funding is also needed to mend the Dinard fence. The year's accounts will be audited by Jenny Fallis.
5. **AGM:** this will be held in Trenance cottages in March, (exact date tbc). Lesley will book the date. Barbara will invite Kim and Mavis. Sharon will invite the IYN members.
6. **Possible project with Punts:** the planting plan at Mellanvrane roundabout has been put on hold. We can still add more plants in the meantime.
7. **Britain in Bloom 60th anniversary:** The BIB organisers are inviting all town Bloom groups to celebrate this and have provided posters to advertise the event. Suggestions so far include: a tea party and tree planting; a plant swap at the library garden.
8. **Dinard fence:** this has been damaged in recent storms and a replacement is needed. Lesley will send photos to Phil Maund at Cornwall council.
